“ So sorry about the passing of my beautiful daughter in law. Thinking of and praying for her husband John and son, Johnny. We all loved KAREN so much.

“ My heart goes out to brother John, Johnny, and Karen's family. Karen has always been family first, and this is the memory that will latch to my heart and the memory of Karen - from the early days when she was my babysitter who gave us space to be creative, build a bat cave, and let our free spirits flourish, to the time she officially joined our family. Sending positive vibes to all those who were touched by Karen and the lasting imprint of love she shined upon us.
