Karen was an outgoing, spunky, "can not miss personalty". You could feel her energy when she was in a room. She would bebop around with a huge smile on her face. It was very hard for her to slow down these last few years because that just was not in her nature. She loved to garden and was always taking care of plants and flowers or working in her yard. She got her greatest joy from her 3 grandboys and was at the many sports events, school ceremonies, Christmas programs, birthday parties and holiday events. It was the purest happiness they gave to her life.
