“ *Karen Leigh, you and Sister Kay and cousin Diane were the first to welcome me into the family. Without reservation , you came and met and we knew we were among family! It was a very special time, I waited a lifetime for. To get to meet cousins at the fruit stand was another fun visit, one I cherish.*

Always in my heart, you'll never be forgotten. The generosity that you and your family have shown will never go unappreciated.

Fly high Angel, shin dig, see ya later ! Til we meet again,

Love you bunches, Lori Ann (March) LaFrance and Uncle Les (in spirit) .

“ Sweet Kaleigh,

We never had the honor of meeting your dear mother but we know she was a very special lady to have raised such an amazing young lady as yourself. We are so sorry for your loss and the pain and suffering you and your family are going through. Y'all are in our thoughts and prayers. May you all find peace and comfort in Christ. With all our love and prayers,
