November 13, 1965 - March 6, 2023

Keith Butler , beloved Partner, Son, Brother, Uncle and Friend passed peacefully away this morning at 5:55 am at home after a battle with cancer.

Keith's love for the beach is legendary. Please remember him the next time you are near the shore. He will be forever remembered for being the life of the party, his sassy sense of humor, amazing cooking skills and deep love for his friends and family. While we will all miss him deeply, he has gone to be with his heavenly father and is now at peace.
