“ I was so saddened when I sent a birthday wish through Face Book to Kenia to receive note that she had passed away. I knew Kenia from my church in Floral City, Florida. She was a wonderful pillar in our church, sharing her knowledge of the Bible in Bible study classes and her devotion to the Lord. She was the loved nurse at a girl's "tough love" camp, helping them along their journey to success. What a very special person full of life and enthusiasm! She visited us at church last year still full of life and love in her illness. She will be missed by many. May God bless the family keeping the memories of her close to their hearts.
