“ I went to High School with Ray at Baker and we played ball together at Westside for years. I had the pleasure of meeting and playing with his son on my adult baseball team a few years ago. There were a lot of similarities between father and son :) I became a catcher because of Ray. One day when we were 12 years old we had a game at Westside and he was running a little late and coach Gene Cook asked me if I wanted to try it until Ray arrived and I agreed. The only problem was that I didn't have jock strap or a cup. So coach Cook and coach Hicks just had me put a cup in my pants. This backfired about 2 innings into a 7 inning game because while running to back up a throw to first it slid down to my knee! As embarrassing as that was, it all worked out because Ray arrived and proceeded to tell me I was suppose to put it in my underwear, HA. He didn't laugh at me or make fun of me, he just saw it as a teaching moment I suppose..... Anyway, I am sorry to see that he is gone and if there is anything I can do to help in anyway please contact me at 251-610-6638. See you on the other side one day Ray.....
