“*Kristine is not just any human. She was my mother-in-law who quickly became mom to me. She welcomed me with open arms so many years ago. Her son Jay and I lived down the street from her for 13 years on Whidbey island. We loved to pop in and chat for hours and bring her meals to enjoy so she wouldn't have to cook. My heart is broken knowing she's gone and it will take time to heal for all her family. She was a beautiful soul who loved to dance. Just wanted to share a snippet of who she is. I love you mom*”
