“ I just heard the news. I am deeply saddened to hear of Kurt's passing. He was my best friend when we lived at 16 villa compound in Riyadh. We had many great times together. We had a memorable vacation in the Persian Gulf, and a great time in Montana when we returned to the states. Our last real time spent together was in Va in the 80's. The whole Meinders family were our closest friends. I distinctly remember Sharon making clam chowder from the clams we got on the beach in the Persian gulf. Great memories. We lost touch over the years. Our deepest condolences to Kurt's family, especially his wife , children, and grandchildren.

Jim Steed and family. ❤️
