“ Landon was our precious, loving, caring, witty grandson. Our only grandson. He brightened up the room when he was in it. I can't imagine what life will be without him in it. But we know the Lord had a plan for him. Landon, Granny & Papa Rusty will ALWAYS LOVE & MISS YOU!!!

“ *Landon and I were on the archery team together in middle school and he was a joy to be around. When an archer got a bullseye they were allowed to make another team member do 10 push ups. I remember how he would always give me his push ups whenever he got a bullseye. Little did he know that those push ups gave me the strength to continue doing archery in high school. He had a great sense of humor and never failed to make me laugh. He was a wonderful friend. Rest in peace Landon.* ”

“ *Landon, you will be missed. I only got to meet you 2 times but you made an impact on my life with that smile. I wish I could've gone shooting with you at the range but we will have to postpone that until we meet again. You're an angel now, fly high brother.* ”
