“ I have known Ms. Lilly Reevelon Rodgers since she began her employment with MARC. She loved the people in the program and it was obvious from the way she treated them. Ms. Roger's worked tirelessly to make each program day fun and enjoyable for each client we served. She and Ms. Thompson gave 150% to MARC and those we served.

She welcomed coworkers into her home for different social gatherings.

No matter when we talked or ran into one another, she was always the same. She was a loving, giving and caring person who will be dearly missed.
