“ Linda had such a serving heart. She was constantly on her feet cooking, serving, cleaning & anything that needed doing. She was tireless. She was a prayer warrior who knew the scriptures for every situation. She loved God with her whole heart & her & Ben served God every single day in any way they could. She was a beautiful soul who will be so missed by everyone who knew her. I know that though there will be a void where her presence was, she is brand new, no pain, no hurts, she is healed. When she entered those golden gates after greeting her Jesus, she walked right into the arms of her son Timmy, who she grieved for so many years. She finally laid eyes on the Savior she served for the same number of years. She is now complete in her eternal home. The day will come that we will all be together again, worshiping our Lord & living with Him for eternity. My most precious & treasured friend, Linda, I will see you on the other side.
