“ Lynda and I had a good laugh one Sunday while visiting before the service started. I had been calling her “ladybug” for a while and that Sunday she said something like this. “You don’t know it but that is what I have as my name on xxxxx(I don’t remember where). She just laughed and thought it was the neatest that that would be my name for her,too. And Ladybug was what I continued to call her. She always smiled.

Lynda was always pleasant and kind when she spoke. She is missed.

“ What an amazing lady Lynda was! I have been a pastor for over 50 years and I don't think I've ever met anyone with more joy about her life than Lynda. She and Lamar were such a joy to be around. She is with the Lord who transformed her life! So glad our lives intersected!
