

Mrs. Marcee O Laliberte

June 14, 1971 - January 31, 2025

Marcee “Stoudenmier” Laliberte, 53, of Mobile, Alabama, passed away peacefully at The Retreat, Hospice by Saad on January 31, 2025, after a prolonged illness. Marcee was a native Mobilian. She attended the University of South Alabama and was a huge sports fan. If you spent any time with Marcee you knew her encyclopedic knowledge of all things sports, especially her Alabama football. She grew up dancing and kept personal fitness as a central theme of her adult life often inspiring others on their fitness journeys. Marcee was a consummate fighter and kept a positive and hopeful outlook throughout her difficult cancer journey. She was inspired by her cousin Harrison Leff, who preceded her in death, and lived his motto #neverquit every day. Marcee was a devoted wife, mother, grandmother, daughter, sister, aunt, friend, colleague, and pet lover. Her precious dachshund Henry gave her a lot of comfort throughout her illness

and in her final days.

Marcee was a devoted wife to her beloved husband, Marc Laliberte, and a proud, loving mother to her three children Sadie, Kendall, and Lucas. She was steadfast in her loyalty and dedication and could always be found cheering at sporting activities and school events. In recent years, she found a new special joy in her two grandchildren Graysen and Ivey.

Marcee came from a large vibrant family and is survived by her husband Marc Laliberte; her three children Sadie Ogburn, Kendall Laliberte, and Lucas Laliberte; her grandchildren Graysen and Ivey; her parents Harold and Carol (McDonald) Stoudenmier, her sister Melissa (Jacob) Vrocher, her niece Morgan Vrocher, as well as numerous extended family members and friends who will deeply mourn her loss.

A celebration of Marcee's life will be held Thursday, February 6, 2025, from 4-7p.m. with a service at 5:30p.m. at Cottage Hill Memorial Funeral Home, 7158 Cottage Hill Road, Mobile, AL. In lieu of flowers the family asked that donations be made in her memory to: St. Jude Children's Research Hospital at stjude.org.
