“ Rest in peace dear cousin Marty. Memories of Marty include a beautiful toddler trying to keep up with his big brothers. A few years later a 5-6 year old sitting on the floor with army men talking about offensive and defensive strategies. Several years of Marty just waiting to be big enough to play in the annual Thanksgiving Park Bowl. Later, Uncle James (daddy) and Uncle Pete (Atlas) enjoyed teaming up with Tony and Marty for a bit of basketball in the Vickery driveway.
Many of our family have passed on, very sad Marty has join them. Prayers and love for Aunt Jackie and Vic during this challenging time.

“ Marty is missed. Love you cousin! Some great childhood memories shared with you. I remember when we were baptized together at University Baptist Church. You are getting to see all those we loved who have gone before us. I think about how happy you are to see Tony and how amazing to see Butch able to stand, walk, and run. You are in my heart. Love, Jenny
