“ *Fly high and rest in peace Aunt Mary. We are going to miss you so much, but know you are finally where you have been trying to get to this whole time. You can rejoice, sing, dance, and breath easy in God's presence. Do not worry about us here. I will continue to take care of your sister, my Momma. We will be okay. We will see you again one day. I love you and thank you for everything you gave me in our life!*
