

Mr. Matthew Daniel Baker

July 27, 1977 - February 15, 2023

Matthew "Matt" Baker, 45, of Mobile, Alabama passed away on February 8th, 2023, in his home. Matt was born in Mobile, Alabama to his parents, Lynda Palmer and William "Bill" Baker on July 27th, 1977. Matt grew up in Mobile where he attended Davidson High School. In high school, he played his favorite sport and lifelong passion, football. As an adult, Matt became a tradesman and will be remembered for his career as an IBEW electrician.

Matt was predeceased by his grandmother, Harriet "Mewmaw" Rohrberger, who he loved dearly, as well as his step-sister, Theresa Palmer. He leaves his two children, David Baker Smith and Erica "Toni" Baker; his closest friend and dearest companion, Dana Thacker-Baker; his parents Lynda Palmer and William "Bill" Baker; his step-parents George Palmer and Ann Baker; his lifelong friend and honorary brother Oliver "OD" Davis; his siblings (both biological and through marriage): Chris Baker, Meredith Baker, Sheila Palmer, and Jeremy Palmer; his niece Chantel Pennel; as well as beloved cousins, aunts, uncles, and friends.

It is impossible to know Matt Baker without knowing his passion for family and his love of Alabama Football. He loved his family and spoke often of his pride in all of the members of his family, particularly his children. A man of few and very devoted friends, those he would call friends were no less family to him than his biological family. Matt's greatest passion in life was undoubtedly

Alabama football. He was in front of a screen for every game, every one of his favorite shirts would have an Alabama "A", and no other conversation would spark as much joy in him as one about football. There would be no doubt in anyone's mind that his idea of heaven would be eating good food with his loved ones while watching a game of Alabama football for all eternity. That is the man he would want to be remembered as and the one he will be remembered as.

Matt will be cremated and buried with his beloved and greatly revered grandmother at Serenity Funeral Home in Theodore, Alabama. When the weather is warmer there will be a celebration of life held in his memory for his friends and family.
