Tribute Wall

“ I would like to send my deepest condolences to the family. I worked with Melba at Harrah's Cherokee Casino in the Retail Department and I really really loved that lady! She sure was a hoot and a so much fun to work with. I lost touch with her after moving to a new position and she moved away. I'm thankful I got to be a small part of Melba's world. She's gonna be deeply missed!
