“ *My sweet beautiful mommy. Still can't find the words to describe how I feel or what to say. You were one of a kind and you taught me to always be different which I will always continue to do. I cherish the time we had together just wish it was longer... I love you so much my beautiful angel.*

“ Oh my beautiful daughter Melinda I can't begin to explain the pain and emptiness my heart feels. Words can't describe how much mama loves you. You were such a beautiful soul you wanted to help anyone and everyone that you came across. Mama will never be the same but I have to go on knowing your walking along side God and singing with the angels. Mama will see you soon. I love and miss you terribly.

I love you mom. I looked her up today because it's her birthday and this is what I find. I am devastated. It didn't work but I loved her like no other. I'm so sorry.
