“ I haven't know Cannon as long as many of his friends but I did know him long enough to know he loved his friends like family. He always had a smile and a hug...and a story to tell! He had some good ones too. Cannon, so sorry I couldn't visit before you left us but know I will always remember you. Thanks for making me feel like family when I moved here. Fly high friend. All the pain is gone and you are probably back to that young fella who was the star of those stories you loved to tell!
