

## Mr. Michael Horn

June 11, 1965 - April 7, 2021

Michael "Mike" Robert Horn

June 11, 1965 - April 7, 2021

Mike was surrounded by his family as he peacefully was reunited with his wife into the Kingdom of Heaven.

Mike is preceded in death by his beautiful wife of over 25 years Jan Rene' Horn, His Father Robert Herald Horn and Mother Karen Sue Alford Horn, Grandparents Mr & Mrs. Robert Alford, Mr & Mrs. Joe Horn, cousins Carl Nagy and Ashley Alford. Mike is survived by his only son, who was his life, Michael "Steel" Horn, his loving sister Vicki Horn Gray, brother, Richard Dana Horn, nieces Heather Gray Sweeney (James) Caroline Grace, Thomas, Holly Gray Lee (Rachel) Ezra Gray, nephew Ryan Joseph Gray. Also his adored Aunts, Uncle and cousins.

Mike's legacy of being an IFBB Pro was his biggest career achievement but he would tell you it wasn't, he would say, helping people from MS, debilitating diseases, terminal illnesses and fighting Cancer to survive is his highest honor and achievement. Mike was incredibly humble and never bragged on himself, he would say be glad you're getting to "suffer" not everybody can do it and have victory. He would walk with you hand and hand and never let you give up on yourself.

We celebrate Mike's home going, its not goodbye but see you later. Mike will be missed terribly.

Services arrangements are as follows:

April 17, 2021

Corpus Christi

6300 McKenna Dr

Mobile, Al. 36608

“ I met Mike in the 80s at french riviera, we lost touch in the 90s and never really saw each other out side the gym, but for 2hours Monday through Friday we were all brother's, it truly saddens me to hear about Mike and even though we were not real close Mike left a lasting impression and he will be truly missed.

“ Mike, what do I even say. You were like a second dad to me. I've known you since I was 13. I watched steel nearly every week for 10 years. We went on trips together. You always made me laugh and feel like part of your family. I remember being on a trip with you guys one time, and you wanted to ride a bike on a tight rope. And unfortunately, you exceeded the weight limit. So you made me do it. Lol I was so scared. But you begged me to do it since you couldn't. Jan took pictures and steel laughed at me. But it was so much fun and I was so thankful you pushed me. You were always so good at pushing people to their full potential. You will be so missed.

*Mike and I went to high school together (Shaw High School). Mike has been a friend for a long time. He reentered my life again about a year ago when he took my son Chase under his wing. When Chase first started nutrition and training with Mike, I told Mike, "Chase is coming to you for guidance and knowledge of weight loss, take care of my baby." Mike did do much more than that. Mike took Chase under his wing, gave him confidence in himself, pushed Chase harder than anyone had ever done to him in his whole life, got him to eat vegetables, gave Chase the drive to want to lose weight and to never give up. Everyday Chase came home from the gym, he told us about how proud Mike was of him. Mike was such a positive role model for Chase and I know there is no one else out there that will be able to come close to filling Mike's shoes. "No one"...*

*We love ❤️ you Mike and miss you every day.*
