“ Mickey was my step-father and I could not have asked for a better one. He was kind and loving to me growing up and treated me as one of his own. I have so many fond memories of him through the years from hunting and fishing, July 4th beach trips and listening to him laugh at a joke. He taught me so much over 40 plus years. It is hard to believe he is gone. I wish I had another 20 years with him and I would give anything for that. I thank him for showing my kids the love he showed them. He loved them so much as he did all his grand-kids and great grand-kids. He talked about them all. I know my kids loved him in return. I love you Mickey! I will miss you.

“ Mickey and I worked together for about 35 years and traveled together in later years. Mickey was a rare individual who would give you the shirt off his back. He was extremely inquisitive about everything but especially about Spiritual matters, magnetism, and electricity. He was always positive and a joy to be around. He will be missed!!
