“ Nancy's brother, Mike, is my brother in law. Whenever we were at events together she would chat with me and be so friendly. I hope I can make people feel comfortable and welcome like she did. I hate that she is gone from this world and that the family is hurting. ♡

“ Nancy, who I called Tulli, was a high school classmate .. She was such a nice friendly person. May she Rest In Peace. May her family's grief be relieved by the wonderful memories that they have of her.

“ Our mothers were high school friends at Convent of Mercy in Mobile. Later, Nancy and her family became lifelong friends. My family would visit our grandparents who lived next door to the Tullis family on Kenneth St., so we spent a lot of time together over the years playing games and entertaining ourselves. Times were much simpler then - hopscotch and racing around the block. Nancy would often win the races. The Tullis family was a wonderful family and always welcomed me and my family into their home.

“ *I'll miss her voice and her smile. She was the most genuinely selfless person I've ever known. I'll never be able to express how much love and gratitude I have for her. She was a bright light...she made the world better. Im proud that she was my mom. She'll be in my heart always.*

BJ, I'm so very sorry for the loss of your Mom. My heart is heavy for your family. She provided a second home for me when we lived in Woodlea. So many fun and sweet memories there. She would let us turn the living room into an area for dance performances and be our audience. I loved making her laugh! She was a good cook, a great carpool mom and a great friend to my mom! Love to you all. She will be missed.

“ *She was the best mother. She was my best friend. I love her and miss her so much. There wasn't a purer and sweeter soul than hers. Rest in peace, mama. I can't wait until we meet again.*
