“ Hey daddy, I'm going to miss you so much. I remember when I was a little girl we used to go out together, just you and me, to either go visit grandma, or your aunt. You made me feel like a princess. I will always cherish those memories. You were always there when I needed you. All I had to do was pick up the phone. You never once hesitated. You weren't perfect, but you were my hero.

“ Dad. The day you passed was one of the saddest days of my life. I am proud to say that I had the opportunity of calling you dad. You always treated me like a "blood " daughter and not as your daughter in law. I will always cherish our little pep talks and your fatherly advice. Heaven has another angel looking after us all. You are truly missed. You may be gone but you will forever be in our hearts. You were an awesome dad and grandpa. *#foreverinmyheart*. Love you dad. May your sweet soul Rest In Peace. Love Always Marie
