“ Neal was the most warm, insightful individuals that I have ever known in my life. Not afraid to challenge me but always filled with wisdom. One of the truest human beings I have ever known. Your presence will be with us always.

“ I have known Neal for over 15 years. He was very friendly, always very helpful and knew a lot about organic gardening. I went to his house today 3/5/23 and learned of his passing. I will miss him. I was grateful to have the opportunity to have known him. Tony Cooper
