“ Fifteen years of teaching with Phyllis and Susan in the Team Room!! We traveled to the Biosphere in Arizona and prepared lessons about the earth's biomes for our students, Stoplight Trivia, current events, my favorite cowgirl, beginning the day with Louis Armstrong's "It's a Wonderful World", shark dissection, story time...so many wonderful memories with one of my best friends in the world. I'll miss her so much.

*Phyllis fought valiantly. Her Savior will be welcoming her. Be sure to tell Bob "hi".*

*Love, Delores*
