

## Ms. Randa Lee Duhon

January 5, 1972 - March 24, 2024

Randa Lee Duhon loved family, friends, and food, maybe in that order. She loved to laugh and what an infectious laugh she had. There was nothing better than getting tickled with Randa.

She was a dedicated worker, a baker, an artist, a poet, a loyal friend, and loving partner.

It is hard to imagine this life without her. She will be so missed, but we have all been blessed to know and love such a precious soul.

Please Join Us For A Celebration of Life April 6, 2024 Ceremony will begin @2pm

“ Randa was a fierce friend!

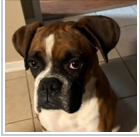

*She never, ever let me down.  
She always had my back,  
no matter what craziness I brought around.  
She was not a chameleon,  
felt no need to agree with everyone.  
She had the strength of a million men,  
never weighed more than about one hundred and ten.  
Her sweet sweet genuine smile would make my day,  
her kind thoughtful person could take anyone's troubles away.*

*She had a passion for life and a spirit to inspire,  
I will always love and cherish her FIRE.*

26 Years ago this beautiful soul came into my journey of life. Little did I know what a positive impact she would bring to us all. Many amazing memories and lots of love shown along the way. Although her time here was brief, I truly believe her quality here far outweighs her quantity. Fly High Our Precious Randa, you will forever live on in hearts.

“ Randa girl you will truly be missed!! It's been years since we've worked together or since I've bumped into you but I will never forget that smile or your hugs. You could brighten a room when you walked in with that smile and your kind spirit. I'm pushing for your family and fitness at this difficult time.

About another path  
I know we loved to hit the  
road and laugh  
But something told me that  
it wouldn't last

“ Learning of your passing tonight has brought waves of sorrow and memories flooding back to me. Though time and distance may have separated us, the love I felt for you remains strong. As I reflect on our time and endless memories together, I am reminded most of your kindness, your contagious laughter, and the love that flowed effortlessly from you. You touched the lives of so many with your gentle spirit. Rest in peace, sweet friend ❤️

“ My sweet Randa she's been my best friend for 31 years. She is a blessing to everyone who knew her. We had many fun times camping, Friday night game night, disc golf, cook outs. Always had her friends. The world lost a treasure, and Heaven gained a angel 🙏. She was my rock!! I will miss her greatly. Tammy Edwards

“ *She Is Gone*  
You can shed tears that she is gone<sup>[SEP]</sup> Or you can smile because she has lived  
You can close your eyes and pray that she will come back<sup>[SEP]</sup> Or you can open your eyes and see all that she has left  
Your heart can be empty because you can't see her<sup>[SEP]</sup> Or you can be full of the love that you shared  
You can turn your back on tomorrow and live yesterday<sup>[SEP]</sup> Or you can be happy for tomorrow because of yesterday  
You can remember her and only that she is gone<sup>[SEP]</sup> Or you can cherish her memory and let it live on  
You can cry and close your mind, be empty and turn your back<sup>[SEP]</sup> Or you can do what she would want: smile, open your eyes, love and go on.

“ Randa was (is) my best friend. I may no longer be able to hug her or be hugged by her but she will forever be present in my heart and soul.

*She said to look for her among the butterflies.*

*In her memory:*

*Don't weep at my grave, for I am not there, I've a date with a butterfly to dance in the air. I'll be singing in the sunshine, wild and free, Playing tag with the wind, while I'm waiting for thee.*

*I love you sweet friend,  
Renee*
