“ My deepest condolences to the Jones Family at this most unexpected time. I knew Carlton in High School. Always energetic and full of life. We spoke at length at one of the previous reunions and he told me of his travels in the Navy and I told him of mine. May God open the pearly gates for him to find his forever home in heaven. We'll miss you Buddy!

“ Raymond Carlton Jones was known as "CJ" to his friends or "Carlton" to family. He was born in Santa Barbara Ca. And lived on both the Pacific coast, when he was younger in Santa Barbara, Ca. and then on the gulf of mexico in Pensacola, Fl. He attended Pensacola High school, joined the navy, traveled and stationed in Okinawa and became a dental technician. He later stationed and settled in San Diego, Ca. Initially, after leaving the Navy after almost 10 years, he worked for a family run dental company in San Diego Ca. Where he resided for over 20+years. He eventually moved back to Florida to work for Patterson Dental Co. Residing in New Smyrna Beach on the Atlantic. He loved the ocean and was never far from it. He loved most genres of music, 70's and 80's and had a special fondness for Jimmy Buffet songs, bruda "IZ" and old time country gospels learned from his Dad. He always had a smile on his face, a laugh to share with others, and a generous spirit of sharing. He was a thoughtful gift giver, and generous sweet man, thinking of the uniqueness of the other person. He is and will be greatly and immensely missed!
We Love you Carlton!

Yes, he had tried living with my dad in Calif for a year. Didnt work out with the stepmother. Unfortunate. But God had him come back home to us for a reason in pcola. Life lessons.
