“ *Regina and I worked for Mobile Urology Group. She was a great friend and did a lot to help me with my job. She traveled with Dr Terry and I to Monroeville twice to see patients. I just love her and we lost touch of each other 3 years after I left the group. This world lost a sweet wonderful person. I know I will see her again in the afterlife. My prayers are with her husband and family. Regina you've I'll be Missed!!!*

Larry and I were good friends with Scott and Gina in the late 70's and early 80's. Scott and Larry were in the Coast Guard together. Larry was the best man in their wedding. Gina was always so sweet and happy. Her beautiful smile lit up a room! She was devoted to her family and loved them dearly. Praying for all of them, that Jesus would wrap them in His loving arms.
