AW

For the last 30 years you have been in my life. But God has called you home and we knew that He would call one of us home one day. It went fast. I am grateful for all the time we had together wish it was more. We done good with our family we raised them under the Lord's guidance. I will miss you more than anyone can ever imagine apart of me is gone. I love you Baby. See you in heaven.
