“ I was so sorry to hear of my friend Retha's passing. There are so many memories I have. I was lucky to meet Retha while working at Kern Regional Center. We became fast friends and partners in crime. Retha always brought a smile to my face and still does. I could always count on her whether I was crying on her shoulder or laughing so hard tears were streaming down my face. She told the best stories and lived a wonderful life. She loved her family with her whole heart. I will always remember her and our friendship. I love you Retha Diane.

“ Retha was my friend and my daughters service coordinator. She blessed us with her good humor and smiles as well as her dedication to our daughter. We will forever remember her. Thank-you, Retha, for all you have done for others and for our family. Praying for her family and especially for Her daughter who is so much like her mother. 🙏
