“ Praying for each and everyone part of the Busby family, we love you all. We never got to meet Richard, but if he is anything like my FIL (Jason,) he was a genuine person to be around. We will forever be thankful for the man he raised, and loves us as his own. Continued prayers for all, and the days to come.

“ My condolences to all the family of Richard. I only met him a couple of times but he raised a good man that takes very good care of my mother. For that I am thankful. Prayers for everyone grieving and may the Father be with you all.
