

## Mr. Richard O'Neal Campbell

November 24, 1938 - May 4, 2025

Richard (Dick) O'Neal Campbell, Jr., of Mobile, AL, passed away peacefully on

May 4, 2025, surrounded by his loved ones at home.

Born on November 24, 1938, in Griffin, Georgia, he is survived by his beloved wife

of forty years, Jody Campbell; brother James Campbell; three daughters Victoria

Perryman (Douglas), Tabitha Clark, Brandi West (Kevin); five cherished grandchildren, Lauryn, Ashlyn, Jackson, Will and Carsyn.

Dick was a deeply loved husband, father, grandfather, brother, cousin and friend.

He has been a rock to many, a master of positivity, a teller of terrible jokes, and

even a glorious pain in the neck. He called his girls, loved ones and friends every

morning to let them know how deeply he cared.

He worked many years for the Boy Scouts of America before starting his own fund-raising company. He was at ease putting together great campaigns and raising funds for many very deserving causes.

He was devoted to the Catholic faith and raised money for many small Catholic

schools and churches.

It was his wish that we laugh, reminisce, and smile together during this time. Please join us at Corpus Christi Catholic Church on Friday, May 23 at 1pm for a

mass in his honor. There will be a Celebration of Life afterwards at Vicki and DJ's

home on 1804 Hunter Ave, Mobile, AL 36606.

In lieu of flowers please consider making a donation to Little Sisters of the Poor.

“ Dick was my oldest cousin and I will miss him so much. He took good care of me growing up and we shared so many good times. I will miss his weekly phone calls so much. He lived a rich and full life and made many friends all over the country. He has been a faithful Christian and I know he is with our Lord and in no pain and watching down on his wonderful family.
