“ Rick and I were Classmates at The Bathmills School. We then rode the bus to Albion High School. Rick was a really nice guy! We lost contact over the years, but we did connect on Facebook. Missing You Rick! My thoughts and prayers go out to your family over your passing. Wish we had gotten together Brother! Class of '69 Albion High School! 😊❤️

*My bother was the best brother ever. He had a yellow and black Dodge charger and he actually let me drive it and I loved it. We grew up in the country and went to Bath mills school but Rick had already started high school when they opened it but Rick and I were close and loved his horse trigger. Will have many nice memories to always remember. Love you Rick*
