“ I cannot top what has already been written; but here goes - Whenever Bob saw YOU - YOU felt like the most important person in his LIFE. It was NEVER about Bob, it was ALWAYS about you. Whether it was, Mardi Gras, Hair Cuts, BBQs, Pool Parties, The Beach, Christmas Parties, Offshore Fishing or the "Occasional Beverage with a friend", Bob taught me that LIFE was about LIVING yours, and letting everyone else live theirs'. Bob lived & loved life. Though, Bob did loved his Family and Friends more. R.I.P. Big Brother - Save me a seat at the table my FRIEND!.

“ I first saw Bob when he and Karen danced on American Bandstand and I was just mesmerized. He was graceful and funky and later tried so hard to teach me how to dance his way!! I was a terrible student, but we laughed and he fed me great steak instead. I just loved him and the entire Alday family. He will truly be missed by his clients and friends alike. Rest in peace old friend.

I was a friend and client of Bob's for 40 years. He was one of a kind. He always made time for me. He is the only hairdresser that could make my hair beautiful. He would meet me at his shop at 6 o'clock in the morning during Mardi Gras to give me a beautiful hair do. I don't know what I will do without him. He was a great hairdresser and friend . I will miss him dearly. Prayers for the family and friends .

“ *Some of the fondest childhood memories were going to Bob's place on Saturdays so my dad could get his hair cut. Bob would let me pretend to be a hairstylist and play with all of his stuff. Never saw him angry.. and from what I remember from 15 years ago, he was a great man, patient and kind. Rest peacefully Mr. Bob.*
