

Mr. Robert "Curly" Warren Davis

September 28, 1945 - September 22, 2024

Mr. Robert "Curly" Davis, age 78, passed away peacefully in his home on Sunday September 22, 2024. Mr. Davis had been a longtime Mobile resident since 1985. He is preceded in death by his parents; John Carl Davis Jr. and Elaine W. Davis and his wife of 53 years, Mrs. Sally Davis. He is survived by his children Tiffany(Darrell) Cameron, Robert(Jessica) Davis, and Terry "TJ" Davis. His brother Terry (Joan) Davis and his two sisters; Janet(the late Tom) Tyner and Jacci Priest. His grandchildren Corrine, Steven, and Sadie. Lastly he and his wife's lifelong and dear friend, Mrs. Gail (the late Bobby) Ferguson. Mr. Curly's story began in St. Louis, Missouri where he spent most of his youth until joining the United States Coast Guard in 1965. Stationed in Panama City, Florida, he met his wife, and they were married on November 8, 1969. They spent the next 20 years traveling to all different parts of the country while he was on active duty, proudly serving until his retirement in 1985. When he wasn't reminiscing on his many stories from traveling and working with the Coast Guard, his time was spent with his family. He passionately supported the Alabama Crimson Tide football team and his all time favorite St. Louis Cardinals baseball team. Christmas was always his favorite time of the year. Mr. Curly loved a cold winter night, a warm fire going and a Christmas movie playing on the Hallmark channel. He was truly happy spending time with his family whom he loved dearly. He could sit and talk for hours on end; as long as he was spending time with his loved ones, then he was happy. Mr. Davis will be greatly missed by all who loved and adored him.

“ *Curly and my husband, MCKM Clint Larson (deceased 2007), were very close friends and stationed together several times. They both loved the USCG and credited it for making their life happy and successful.*

“ *I first met Culy back in the 90's when he was working with Vinson Security. He was a top notch person then and was always so positive. It has been a few months since I spoke with him but even then he was still so positive (not only about Alabama football) but everything. He will truly be missed.*

“ Mr Robert Curly Davis was my uncle. My mom's older brother. She misses his calls to razz her about her home on Arsenal St. Uncle Bob had a great sense of humor and loved to joke. I vividly remember as a kid. My Grandma going to Panama City Beach, Florida? And when she came back, she brought my brother and I, these little white sailor hats. I know that she went to every city that he ever lived in to visit. My uncle joined the coast guard the year I was born and the only place that I ever got to visit was in Alabama. I can't attach to his diehard love for the St. Louis Cardinals. As this was his hometown. I can also attest to the fact that he loved the crimson tide, because on our visit, my children had to say roll tide before they could get dessert, we went out to eat dinner. Of course, uncle bob was just joking, but it was funny all the same. At the time, my daughter was a little under four years old and looked like Carol Ann from the movie poltergeist. For years, she was always referred to as Carol ann. 🤪 while visiting uncle bob also barbecued some of his famous ribs. At the time, my daughter got filled up and didn't eat her ribs, and she thought I was going to eat them and said, no, don't take my bones. Those are my bones. I don't think i've ever heard my uncle laugh so hard as I did that day. He will be greatly missed.

Mom is still in shock he's gone. We are at peace knowing he joined the love of his life in heaven.

“ So sorry to hear this. I worked with Mr. Curly for several years. He was always cracking jokes and pulling pranks with fake roaches. He truly made work fun. I'm thankful that I got to know him. Prayers for the family.

“ My favorite memory of Uncle Curly is when he would take us to Steak N Shake for their delicious milk shakes. He had the biggest smile on his face watching our determination to slurp the thick ice cream thru a straw. Monique
