“ *When, I think of Bob, I think of football. I called him, my football buddy. David, Diane, Bob and I would get together and watch football, mainly watching the Jaguars, lose or sometimes win. Either way we always cheered and shouted out for the home team. That was so much fun and something we always looked forward to doing. Now the competition between Bob and David would heat up during these times. Pool table would be rolling and whomever won, had the bragging rights for the week. Boy would they brag!*

When I think of Bob, I think of a gentleman that was full of kindness and had such a good heart. Toward these final days I saw a man full of inspiration and oh so much courage. No matter how he was feeling, he always had kind words to say. He has left a footprint on all of our hearts and we will sorely miss our friend. It is with a sad heart that I am saying my final respect and saying, so long buddy, we will all meet again one day. Go with God's speed and grace, we love you dearly.

I pray for strength and peace to carry his beautiful daughter and brother Don and the family, through these next few weeks as you mourn.

See you again one day buddy, Love, Gloria McInnis
