“ *Mr. Robert was a wonderful person and a great neighbor! I always enjoyed our conversations over the years. He was extremely intelligent, funny, wise, patriotic, and he loved his family dearly! The Lloyd family will certainly miss him. May God bless and comfort all of you as you deal with this immense loss.*

*Sincerely,

“ Robert was an amazing man with an immense thirst to never stop learning. I asked him once why he had so many books and he said,“I just never want to stop learning “. He was witty and quick with at comment that you never saw coming. I will miss him. RIP my sweet friend.
