MK

Maggie, John and family-

I am very sorry for your loss. Robyn was a part of my work family for over 8 years. She had immense knowledge of cardiology and helped me many times! She had a quirky sense of humor and those memories still make me laugh. She supplied our clinic with the best Trader Joe's snacks, helping to create some epic CHF clinic potlucks.

Robyn dedicated many years to caring for the underserved population of Dallas. She would bring in any extras she felt her patients could use: tote bags to carry medication, pill cutters, pill boxes. She would quietly give patients a few dollars so they could catch the bus home.

During Robyn's time at the Parkland CHF clinic, we grew the size of our clinic, offering care to hundreds of patients. We also moved our clinic to the new building, closing the door of many wonderful memories at Old Parkland.

You are missed Robyn.

*Much love-
Megan Kelly*
