“ Rodney is my husband and I just found out this morning that he had passed. Whoever is listed as next of kin please reach out to me, we have children and grandchildren together!!

Mechele L Nichols - June 18, 2024 at 01:20 PM

MN

You are at the funeral home can hang up on me all you want, but Rodney is my husband and I will get what I want!!  
If you use these people you better make sure some stranger off the street don't come in and say there's somebody's Mexican when they've got a wife and three kids and my grandkids in another state!!
