“ I am the stepson, Benjamin Beatty. He made breakfast for the family everyday and made our day brighter with laughter. Our family loved him for being a great dad.

“ Roger was my step father and he saved us (me, Mother, and Brother). I learned by example from him to be a good person. I dedicated a song by Brad Paisley (a father he didn't have to be) this last Father's Day on Facebook.

“ We will miss you Roger! I will miss seeing you go to Dads house and be there just talking away. We'll be praying for you Martha and in honor of Roger I will end with this word "Everwhat"
