“ Ronald and i met in the 3rd grade at the First Baptist Church Christian School and became fast friends. Carpooling, church, football and just "hanging around" kept us together a lot over the years. His parents accepted many of us boys as "extras" to go along with Ronald and Roland for all of those years. My family moved away from Mobile, breaking most contact but it was always a pleasure to see him again at reunions and Gaither concerts. Claudia was also a major part of the equation involving church, school and Ronald as we all grew up together. I loved you both then and still do. Claudia, take care of yourself and know that Ronald will always be looking out for you.

“ Ron and I shared a lot of great times and memories on and off the golf course. I am going to miss Ron, but I am happy he is whole and complete in the arms of Jesus. Until we meet again my friend.

“ My friendship with Ron goes back to the 35 years he was involved in the world of meat sales. I worked in operations and Ron in sales but interacted quite often when our customers requested something special. His passion for golf brought us even closer since I was a duffer and he was a scratch player. It is an honor to call him my friend. Prayers go out to Claudia and family.

*I love Ronnie Hayes. We grew up together in Chickasaw. Went to school together at Peter Joe Hamilton, KJ Clark, and Vigor High. Both of us were a part of the First Baptist Church of Chickasaw family. Played football together at Clark and Vigor . Even coached football together with the Hamilton Eagles. After marrying Claudia and moving to Tallahassee for work, our paths did not cross much for a while. But once he came back home, our friendship continued. Ronnie I love you brother. I miss you but know you are home now in Heaven with Jesus, Jana', mom, and dad and other love one. I look to seeing you again soon. Thanks so much for being the wonderful friend you were to me. Til we meet again. Blessings!*

*Ron was truly a friend. I was privileged to work with Ron for many years in the meat business. He always got his share of the available business. Ron's love of golf was second only to his family. I remember many trips we all made to Hilton Head to play golf. What great times. My sympathy and heart go out to Claudia.*
