“ Ronnie , I know I didn't show it much in the last couple months but I loved you so much. I know in my heart that you knew that. You were such a sweet soul and will always be remembered as such. Can't wait to see you again! You better not be late at the gate when I get there !

“ Mr Ronnie, you were a one and a million. You were such an amazing friend. I can't believe your gone. I will never forget you . You were my best friend my only real friend. Im just speechless right now.. shocker!! I can hear you laughing right now. Dang Ronnie, I guess it was time for you to go and be with Mrs Pat and I know you wanted that more than anything ,so If I were to guess ,, you are finally truly happy again . And that makes me sad because I won't get to see you again anytime soon that is, but makes me happy that you are happy that you are reunited with Mrs. Pat once again. I want you to know you taught me how to be a better person in so many ways .. you had the most sincere heart and loving spirit .. I love you Mr. Ronnie I will never forget you and you will always be missed . R.I.P
