“ Ronny and I worked together. But he was more than a coworker he was a friend. He prayed with me when my grandparents were dying. He was kind and generous with his time and advice. Sometimes we listened to 50's music on lunch breaks, and he knew the names of all the artists and songs. He was a pleasure to be around, and will be sincerely missed by all of us. My thoughts and prayers go out to Miss Darlene and all his family and friends. To know Ronny is to know that he is in Heaven and with Our Father now. He shared the gospel with so many people through this life, leading them to God. May he enjoy the rewards of his labor, and Rest In Peace.
Love,
Shannon

“ I met Ronny in the early 1990's he was parts manager and I was service manager at Bob Mandel Nissan. We always enjoyed having coffee breaks together. He was always about business and how he could improve his department for his customers.

“ Ronny was my longtime neighbor and friend. In his spare time, he stayed busy working in his and Darleen's yard, as well as helping his neighbors with theirs. Ronny was a kind man who loved the Lord and he knew that one day he would go to be with his Savior in heaven. We will all miss his smiling face and his helping hands.

We had many good times years ago with Ronny and Darleen at Dauphin Island at the beach house. Remember one fun time regarding the "Mayor of Dauphin Island", inside joke! Taken too soon, prayers stay with Darleen and family 🙏

“ I accepted a position at a local hardware where Ronny was already employed. We were both stubborn and set in our ways - so we disagreed some at first. But, Ronnie still taught me a great deal. We ended up with a lot in common and I truly enjoyed working with him. I'm honored to call him a friend. I'll miss him.

Ronny and I were friends in Mobile in the 80's and always had a lot of fun together. There were three of us that met in the fraternity at South and had many enjoyable times together. Jim & Frances Bowers
