“ So many memories! Too many to name. You always made me laugh with your jokes and that impish grin. I hate that we didn't stay in touch more. I hate knowing you are gone from this world.

“ Way too many memories to share in such a short space. Albino dolphins, Mardi Gras balls, Chalmette, his sweet momma, Jeep. I'm not crying, you are. You will be missed. You were loved by so many. When you get there, so hello to Bill so that he can call you Moose one last time. ❤️

“ We loved DeVon so much and are deeply saddened by his passing. We met in high school fraternity and became instant friends. He was such a wonderful friend who listened and laughed and cared. DeVon will be missed by so many. May his memory be a blessing!

“ Devon was my friend since high school. He was the epitome of joy, humor, love, and fun. I have missed him for years. I'll forever be disappointed that I didn't keep in touch. I hope that he has found the peace he needed. ❤️

“ Devon was a high school fraternity brother and friend. I remember him as easy going, laid back, life of the party, and most likable person you'd ever meet. I have many wonderful and fond memories of our times together. May God rest his soul and peace be with him.

“ I am saddened by the news of the passing of a fraternal brother and a friend in my youthful years. Although I would move away, my favorite memories are of his joyful demeanor (saying it politically correct) God welcome my him, he is a good one.
