“ Steve and family, my heart goes out to each of you during this time. I did not know Sandy well but really enjoyed her sense of humor and true genuine caring about others. My thoughts and prayers are with you all.

Rick, I think it's time to retire the Roberts location for family functions. A beautiful Park or a nice Church would be more fitting in my opinion. Enough with the alcohol and cigarettes.

“ *I went to high school with Sandy but had lost touch until a few years ago. We would talk on messenger and she was also so positive and uplifting. I'm sure her mom was there to greet her when God brought her home. My sympathies to the family*

“ Sandy was like a sister to me. We grew up together and have many wonder memories, school, marriage, kids, beach time, porch therapy, fish camp. I will always remember you like when I see the sun, stars, beach, or listening to the music we loved. RIP my dear friend. I will see you again little Angel. In Gods Love!

“ I first met Sandy, my new sister-in-law on June 30th, 1995 when she and her family came to Sarasota, Florida to attend my wedding to her oldest brother, Scott. I will always remember her kind sweet giving nature and her good soul. She will be dearly missed.
