FE

“ *I will dearly miss such a wonderful and amazing uncle, who would come to Ohio to visit us. His kind heart, great personality, and strong, statuesque presence will be missed. His values, humanity and strong Muslim beliefs were always admired. I learned a lot from my conversations with him. I loved how he ended every phone conversation with, "I love you more!" In deepest sympathy - Felicia (Ohio)*

Felicia - February 02 at 09:08 PM

JE

Jean

*Will remember the joy you brought to our lives and the love we all shared. Your life was a blessing.
Rest well my brother.*

Jean
