

## Susan Annette Clapper

July 13, 1946 - November 17, 2021

Susan Annette Clapper (Vickery), 75, of Mobile Alabama, peacefully passed on November 17, 2021. Susan was a cheerleader who graduated from Baker High School in 1964. She also had the honor of being an Azalea Trail Maid that same year. After graduation, Susan joined the United States Marine Corp. Most of her work career was dedicated to the insurance field.

Susan was a loving wife, mother, and grandmother. She was devoted to her late husband John R Clapper Sr., for over forty years, before his death in 2012. She is survived by her two daughters: Heather Hutchinson (Matt), of Mobile; and Nicole Johnson, of Birmingham. Susan also has three grandchildren: Brooke Hutchinson Parsons (Lonnie), Dylan Johnson, and Joshua Clapper. She is also survived by her loving sister Marcia George (Lloyd) and family, along with her brother Dale Vickery (Peggy) and family. She is also survived by her chunky dachshund Susie.

She is preceded in death by her devoted son, John Clapper Jr in 2013, and her brother Paul Vickery Jr.

Susan was an amazing cook who loved all the holidays. She always made her children and grandchildren feel special and loved, especially at Christmas. She had a green thumb and loved to have a house and yard full of beautiful plants and flowers. Susan and her husband always had an abundant vegetable garden and blueberry bushes. For many years she loved to play softball and was always an avid Alabama Crimson Tide fan. In her final years, her declining health prevented her from doing the things she loved. However,

she remained a bright light to those who loved her most.

“ I have so many wonderful memories of Aunt Sue growing up. You never had to wonder if Aunt Sue was coming to your graduation or wedding or other big event. She was always there. There was also the fun summer trips to her house to swim and pick blueberries. She also grew the most beautiful flowers and had a smile that would light up the room! You will be missed dearly and are loved by so many. Love you!

“ Oh gosh! Not sure what to say! I love you both, Heather and Nikki! I can truly say that I know what you are going through. My heart breaks for all of y'all. I loved coming to your house, we had so much fun. The only time I snuck out at night was from your house. I think I drove your mom crazy when I stayed with y'all when mom, dad and Melissa went to Alaska. But we sure had fun! Your mom did so many things and was so good at everything she did. What a wonderful role model! She will be missed so much by so many people. Love, Miriam
