“ Tim will be remembered by me, as the same person I met when he was 14 years old, a good friend of over 40yrs and next door neighbor, the past 8. Tim would GIVE YOU THE SHIRT OFF OF HIS BACK; and walk home shirtless, knowing he had done his best. Tim loved his family, missed his beloved Mother and reveled when he spoke of his daughter; Brittany. Anytime I was home, from out of town; he would go to Hardees, then leave my favorite S.E.C. biscuit hanging on my front door, then send me a text message. Because he didn't want to wake me up. Anytime I needed a helping hand, Tim was who I called. True to his giving nature, Tim NEVER was too busy, nor ever turned down my request for a helping hand. I will miss his strength, thoughtfulness, and iron will to always treat you as though you were the most important person he knew. A gift, possessed by few; and used by fewer. I saw Tim for the last time May 28th, in his truck, about to leave; yet he waited until I got close enough, just to say "Hey James" before driving off, one never wanting to offend. When I get home Friday, It WILL BE VERY HARD to SLEEP, knowing he isn't next door; watching my back. Tim Ferguson; you were loved by more than you ever allowed yourself to know. I will miss your gestures of kindness, and knowing I have received the last, is TRULY something I'm having a problem.....excepting! Rest In Peace my FRIENDS!

“ *My sincerest condolences to Tim’s family.  
Several years ago my family sort of adopted Tim as a member. My sister and I called him our big brother. Whenever my daughter and I would come to visit our mother, Tim would watch for our arrival from across the street and walk over to carry our luggage in the house. He always accepted a hug as payment.  
Timothy Duncan Ferguson will be deeply missed and I have faith that he is finally at peace.*
