Timothy Earl Mosley Sr.

"TIGER TIM"

Timothy Earl "Tiger Tim" Mosley Sr., 61, of Mobile, AL, went to be with his Lord and Savior on May 8, 2024. Tim was many things in his life, including, a boxer, jockey, and a first-class painter. He was also a dreamer, thrill-seeker and prankster, but above all, a believer in Jesus. Known for living life, being a protector to all he loved and a boxing legend, he was the life of the party and cherished his family and faith. He knew where he was going and would often talk about the Pearly Gates and walking down the streets of gold to Paradise. Tim always knew that this world was not his home. He was always excited when talking about being with Jesus.

Timothy, also known as "Tiger Tim" to friends and family, was a professional boxer who fought in Las Vegas, Nevada, and on ESPN. Following his boxing career, he joined the family business and excelled as a first-class painter. He also hosted a Christian radio program on WMOB. Preaching the word of God was something he had a gift for and always done well. He raised his children with the same beliefs and loved to watch and video them doing praise and worship dances. In his teens, he enjoyed football, horse racing, and boxing with his father and brother. He was a lifelong fan of Alabama football and wore

the attire regularly and proudly.

He is survived by his mother, Winifred Pendarvis (CD) Housdan; wife, Karen Hartley Mosley; children Dana L (Shelby) Mosley, Sandi M (Chris) Doss, Timothy Earl Mosley III, Sara L (Zachary) Lambert and Braxton Mosley; brother, Teddy Mosley; sisters Tonya (Rocky) Kimpel and Toni (Ricky) Wharton; 12 grandchildren; and a host of aunts, uncles, nieces, nephews, and cousins. He was preceded in death by his father, Ted Mosley, grandfather Clinton (Poppy) Pendarvis, grandmother, Dorothy Turner (Mama Dot) Pendarvis, Aunt Joy Pendarvis, and nephew Craig Wilson.

"Tiger Tim" worshipped anywhere and everywhere, often attending tent revivals. He loved Benny Hinn and adamantly believed in the gift of laying hands and the healing power of the Lord. He loved spending time with his grandkids who would excitedly yell "Tiger Paw" when they saw him and run towards him to see what he was going to do this time and of course, get a piece of gum or candy. He will be forever loved and missed.

“ This is last Father's Day. If I would've known it would've been my last one I would've stay a little longer and hugged him a little tighter. He wouldn't want us to be sad at all because he knew where he was going and he was ready to see Jesus. But for us he left behind to soon we are so broken hearted and miss him so much! I love you Dad forever and always

Hi, This is Braxton, I'm in Camp Shelby on the school computer. I'm not supposed to be doing this but I gotta say my Peace. I would like to say that my father meant a lot to me. He would always try to keep me happy no matter what and was always supportive. I wish I got to see him again but That's Life. I understand he would want me to strive for what I need to do in this world. I will be at the funeral, and I hope to see you all soon. Love you, DAD.
