“ Dearest Beth and Blake, Cydney and Raven and all the family, I was blessed to spend one afternoon with Jim on Blake's 21st birthday party and what a wonderful man he was. I am deeply sorry for your loss and Duncan and I are sending our thoughts and prayers to you and will always light a candle on his anniversary of his death. I am so very sorry. Our deepest sympathies. Knowing someone through their family is special because you see the product of his love and joy and light in life and boy did he do a good job. And knowing a wife's love for her husband says so much. May he rest in the arms of Jesus and know he was loved and forever will be. Much love,  
Mr. and Mrs. Duncan E. Wheeler.
